

Issue no 14 Friday 12th December 2014

KS2 Christmas Fundraiser

This year the children in Key Stage 2 will be performing on Thursday 18th December to raise money for a number of charitable organisations in a show we have called **ACTS OF KINDNESS**.

Below are details of the charities. We kindly ask that you give generously at the beginning or end of the performance so that we can then send our donations on to the chosen charities.

Samaritans

For most people Christmas is a happy occasion but for some it can be a lonely and difficult time. Every single

day, around 16 people decide to end their own life across the UK. We are raising money so that Samaritans can help these people to change their mind before it's too late. Your donations will help these Samaritans to be available round the clock, every single day for anyone who needs support.

Mind

Mind is a charity which relies on donations and gifts to support people with mental health problems.

They campaign to improve services, raise awareness and promote understanding.

- £36 could help the charity answer more calls
- £90 could help to provide support locally
- £144 could help Mind to give people a place to turn

Crisis

Crisis is a charity for single homeless people. £21.62 reserves one place at Crisis at Christmas and provides welcoming support from people who really care. In the Crisis at Christmas centres people are given three nutritious hot meals including Christmas dinner; the chance to shower and change clothes; have a haircut and get a health check; expert advice on life-changing issues like housing & employment; an introduction to Crisis year-round services for training and support for the future.

Disasters emergency committee

Over 4,400 people have died from the Ebola virus, and more are infected every day.

The DEC is saving lives through its Ebola Emergency Outreach.

Children in Need

Children in Need works to help to change the lives of disadvantaged children across the country.

- £35 gives a month of therapy to an abused child who is so anxious they can't sleep
- £50 gives an 8 year old child with a brain tumour a chance to go to an outdoor camp
- £100 buys musical instruments for a terminally ill child to play in music therapy classes.

Buses

If you wish to make any changes to school bus arrangements please communicate directly with Alison Moller on headteacher@juliansprimary.org.uk so that we can make amendments.

 End of term: **Friday 22nd May**

Summer Term - Term 6

Children start: **Monday 1st June**
 End of term: **Friday 17th July**

New menus for January

Menus for school lunches will continue until February 2015 half term holiday. We have listened to parental feedback and requested interim changes to the current menu for the start of the school year. We shall be looking for parents/carers interested in joining a working party in January 2015. See page 4 for the full menu range on offer from Monday 5th January 2015.

Leigham Court Road site

Sarah Wilson and I visited the Streatham site last week and we were both impressed with the building.

The classrooms are set up and the furniture is in!

The outside areas are really beginning to take shape with the playground equipment and paths. We also have an auditorium to the rear of the building. As far as we know the building remains on schedule and we shall confirm handover dates as soon as we know.

However we are still on schedule to open the doors and welcome pupils on Wednesday 25th February 2015.

Concert Dates Reminder

Monday 15th December 2014

Years 1 & 2 Christmas performances of Angel Express
@ West Norwood for all classes
