

Issue no 1 2013

Welcome back! I hope that all of you had a wonderful summer and that your child has had a good start to the new academic year.

May I take this opportunity to welcome all parents/carers and children who are new to the school. We look forward to working with you during your time with us.

For those parents/carers who are new to the school, I send out a newsletter each Friday. Newsletters are an important form of communication and will give you general information as well as information about current and forthcoming events, curriculum activities within each year group, diary dates, etc..

Today's newsletter also contains important dates for this term. Please try and check your child's book bag each evening, but particularly on "Newsletter Friday" so that you can keep up with everything that is happening in school. If you feel you are missing any newsletters, please do not hesitate to ask for another copy. We will continue to post the newsletter on the school website. If you would like to receive the newsletter electronically, please email and we can organise that for you.
