

Issue no 7 Friday 17th October 2014

Parent/Carer Governors

We would like to invite all parent/carers to stand for election to become a Governor on the Julian's Primary School Governing Body. If you are interested, please inform me on headteacher@juliansprimary.org.uk by **Monday 1st November 2014 at 12 noon**. If you have previously registered your interest, please let me know if you would like to be considered for the election.

The Governing Body is responsible for the strategic management of the school. In practice, that means three main things:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils, and the performance management of staff; and
- Overseeing the financial performance of the school and making sure its money is well spent.

At Julian's Primary School, we have a strong group of parent/carers governors and highly value the contribution they make to the governing body. Parent/carers governors are not expected to directly represent parents and carers, but they do offer a unique perspective on the school as well as their skills and outside experience.

The priorities of the governing body over the next five years are to support the Senior Leadership Team to achieve:

- Excellent achievement
- Excellent teaching
- A high quality, creative curriculum
- Distributed leadership within the school
- Good financial management
- An inclusive ethos
- Integration between two school sites

If you would like to put yourself forward, please prepare a short statement about yourself and submit it to the School Office with a photograph so that we can distribute your details to the school community prior to the election. The election will be on **Wednesday 10th November 2014**.

Sunday Politics show

If you were watching the Sunday Politics Show (or local news) last Sunday @ 2.15pm, you will have noticed that our new site at Streatham was featured on the programme.

It was a short clip but showed the outside of our brand new building, the hall and ISG

working in a classroom. Catch it while you can...

Parent/Carer Consultation meetings

Thank you to all of the parents/carers who attended the parent/carers meetings on Monday 13th October and Tuesday 14th October 2014. We hope that this was a good opportunity for you to meet with class teachers and find out how your child has settled into their new class, either at West Norwood or Streatham.

A reminder that parent/carers meetings for **Reception only** will take place on **Monday 3rd November and Tuesday 4th November** from **3.30-6.pm** in the **main school hall**. Please remember to return your requests in person or by email to the office on admin@juliansprimary.org.uk or sign up on the lists outside the classrooms.

If you have any concerns about your child's progress or welfare please contact the teacher in the first instance. Email addresses are listed on class pages on the website and I have listed them below for information.

Parent gym

We hosted a taster session on the 14th October 2014. Parents/carers found the session very useful. There are still places left on the 5 week course which starts on **Tuesday 4th November 2014** and runs from **9.15am to 11am** weekly.

If people want to come on the course, they should either call **Arabella** directly or email her on ayapp@juliansprimary.org.uk. Parents/carers should include their full name, child/rens names and classes, their mobile number and any names and ages of children who need a crèche place

Meeting with ISS – our school meal provider

A reminder that we shall be holding a tasting session with ISS on **Tuesday 4th November 2014 from 3-5pm**. This will be an opportunity for you all to sample the menu and to meet the operations team, the development chef and the nutritionist.

I would encourage you all to attend so that you can share your concerns and ask the team directly any questions you may have.

We are also delighted that Mark Sargeant , the celebrity chef will be visiting Julian's on Friday the 14th November!

Mark was formerly head chef at Gordon Ramsay's Michelin starred restaurant at Claridge's in London, so we look forward to

meeting him! Watch out for more information soon!

Class assemblies!

Year 6 worked really hard to prepare for their class assembly this week and they performed really well!

The class worked collaboratively to showcase different areas of their learning including researching, role playing and creatively writing their own wartime stories, researching the history of poppies and displaying their poppy art work, presenting the timeline of events in World War 2 and choosing and reciting a World War 2 poem with actions.

The children really enjoyed bringing all their learning together and were very proud of what they achieved in such a short amount of time.

We were delighted to see that over 20 parents/carers were able to join us for the assembly together with the Year 1 Dunraven children.

As I have said before class assemblies are a fabulous way to stay in touch with what your child is learning and we welcome as many of you that can attend as possible.

School uniform

A further reminder that **all** children should be in **full school uniform** every day.

Please do **not** send your child to school in **trainers**. They should be wearing dark (i.e. black or navy) sensible school shoes **ONLY**. If children continue to wear trainers, we shall have to give them a pair of school plimsolls to wear for the day.

Have a wonderful weekend!

Alison Moller
